Sir:

**SUPPLEMENTAL PRELIMINARY AMENDMENT**

In order to place the above-identified application in better condition for examination,  
please amend the application as follows:

**In The Claims:**

Please add the following claims 206 - 223.

--206. A home video game system for use with a television type monitor display device,  
said system contained, at least in part, in a housing defining an insertion space for receiving a  
portable removable non-volatile memory storing instructions and data relating to one or more  
polygon-based 3D graphic objects, comprising:  
a programmable graphics processor; and  
a main processor that accesses said instructions and data and communicates information  
relating to one or more polygon-based 3D graphic objects to the programmable graphics  
processor,
